## **DETAILED ACTION**

Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show a seat of a child-care instrument provided with a seat plate and a backrest plate, including the lapping plate having second openings penetrating through a thickness thereof, in the seat surface portion and the back surface portion, and is provided such that the lapping plate can be displaced between a first position in which positions of the first and second openings are aligned and a second position in which positions of the first and second openings are shifted, and a plurality of hinge portions extending in a width direction of the lapping plate and provided so as to be spaced in a longitudinal direction of the lapping plate, in a corner region connecting the seat surface portion and the back surface portion of the lapping plate, in combination with other specifically claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
